- As the leading company in Turkey's frozen food and margarine market, Kerevitaş has been operating since 1970 and continues to grow steadily, strengthening its position.
- The leading company in Turkey's frozen food and margarine market.
- The second largest publicly traded food company in Turkey.
- Under the main categories of consumer margarine, EDT (Pastry/Catering and Industrial Oils), and Cooking Oils, Kerevitaş offers a total of 50 brands and 417 SKUs, including prominent brands such as Bizim Yağ, Teremyağ, Luna, Halk, Yayla, Ustam, and Evet.
- The Oil Division has a total capacity of 658,000 tons/year across its three facilities located in Adana, Istanbul, and Brunei. The Marsa Adana factory is the largest facility in Turkey with the highest capacity established in a single location.
